## CARRY THE SMART CARD

With the NASA Federal Visa Platinum, you get a card you can trust featuring:

- **No surprises** – The NASA Federal Visa Platinum has a fixed rate, not a variable rate that fluctuates with the economy.
- **No risky conditions** – You can be confident that your rate will not skyrocket like the others with universal default rates.
- **No hidden rates** – The NASA Federal Visa has the same great rate for purchases, cash advances and balance transfers.
- **No worries** – Rest assured that with our Zero Liability policy, you pay nothing for unauthorized use of your card or account information.
- **No annual fee** or balance transfer fee.
- **Choice of six** card designs.

Plus, the NASA Federal Visa Platinum gives you one low fixed rate for purchases, balance transfers and cash advances and rewards you with either cash or points — you make the choice.

## THE PRESTIGE OF PLATINUM PLUS REWARDS
