

DIRECT DEPOSIT

Makes Life
EASIER

*Save Time for
Things That Matter
Most in Life.*

Count on NASA Federal to keep your money safe and secure.

Many of us have accidentally lost a paycheck, through carelessness, a mail glitch or pair of uninspected pants tossed too quickly in the laundry. The solution? Direct deposit – the safe and secure way to get your money on time, every time.

The benefits of direct deposit are endless:

- There are no checks to be lost or stolen – it's safer!
- Payments reach your account the day the check is issued – even if you're out of town!
- You don't have to visit an ATM or branch to deposit your check – no waiting in line!
- You can avoid bouncing checks and accruing fees – life happens, go direct!
- Building your savings has never been easier – the money's in your account without ever touching your hands!

Go Direct Today.

It works with any recurring payment you receive – from your paycheck to an expense reimbursement, bonus, dividend, pension or tax refund.

To set up direct deposit, visit nasafcu.com or call **301-249-1800** or toll free **1-888-NASA-FCU** (627-2328), ext. 203.
