MEMBERS WHO
ENJOY REWARDS

As a member of NASA Federal Credit Union, you belong to a financial cooperative that's designed to meet the needs of its members. We have a comprehensive suite of services, just like banks. The difference is, we're not-for-profit and earnings are returned to you in the form of better rates, fewer fees and friendly service.

Membership Has Its Privileges

Your participation is what makes it all possible so we want to thank you with Membership Rewards. This exclusive benefit reflects the true nature of credit unions – *people helping people*. As you build your credit union balances, the more rewards – like free or discounted services – you get. Here's how it works:

Add up all your **savings** balances + **checking** balances + outstanding **loan/credit balances** (excluding mortgages) + authorized **investment** balances* to get your Membership Rewards.

Simply put, the more you do with us, the more rewarding your membership will be.

Reward Yourself

There are many ways we can help you get more from your membership. To find out more, visit a branch office or call us at **301-249-1800** or **1-888-NASA-FCU (627-2328)**.

* Investments offered through CUSO Financial Services, L.P. (CFS) are not NCUA/NCUSIF insured, are not credit union guaranteed and may lose value. NASA Federal Credit Union is in partnership with CFS (Member FINRA/SIPC). Financial Advisors are employees of NASA Federal Credit Union, are registered through CFS and are SEC-registered Investment Advisors. Representatives assisting with investment products may also accept member deposits on behalf of NASA Federal Credit Union.
