I swear that the NASA Federal Credit Union check listed below was lost, stolen or destroyed and has never been cashed or otherwise negotiated in anyway by me or by any agent for the benefit of me.

CHECK NUMBER:	ISSUE DATE:
AMOUNT:	PAYEE:

The check was lost, stolen or destroyed under the following circumstances:

I request that the NASA Federal Credit Union issue a replacement check made payable to the above stated payee for the above-stated amount.

I understand that a new check will not be issued before 30 days after the issue date of the lost, stolen or destroyed loan check unless the amount is less than \$500. I also understand that if the original check is presented for payment by a person entitled to payment prior to the 90th day after the original check was issued, then NASA Federal Credit Union may be required to pay the item. In such case, I agree to immediately reimburse NASA Federal Credit Union for all loss the Credit Union may suffer as a consequence of the original check being negotiated. I agree to return or destroy the above-described check if it should ultimately be found or discovered.
