Bump Rate Certificates require a \$1,000 minimum opening balance. No additional deposits accepted during term of certificate. Bump rate will match rate currently in effect at time bump option is exercised for a like fixed-rate certificate term. New rate will carry forward from the date of increase and will not be retroactive. Unless you indicate otherwise, at time of maturity, the certificate will be reinvested for the same term at a fixed-rate in effect at that time. Personal accounts only. Rates, terms and availability subject to change. There is a penalty for early withdrawal of certificate funds.
