<p>You authorize us to allow you to skip one loan payment on the loan identified above and change your due date from _____ to _____. You understand that finance charges continue to accrue on a daily basis and this authorization amends the original loan agreement, which may change the total amount and the schedule of your repayment. By selecting a Visa card for which to skip a payment, you are submitting a request for NASA Federal Credit Union to defer your credit card payment as indicated. You agree and understand that: 1) you are increasing your credit card balance by \$25 which will increase the FINANCE CHARGES accrued on your account; 2) FINANCE CHARGES will continue to accrue at the rate provided for in your original credit card agreement, during and after that time; 3) deferring your next payment will result in your having to pay higher total FINANCE CHARGES than if you made your payments as originally scheduled; 4) we need your request 48 hours prior to the due date if your payment is made automatically or electronically; 5) you will be required to resume your regular monthly payments in the following month; and 6) Fee to skip \$25.00. All deferrals subject to NASA Federal Credit Union approval. Your NASA Federal accounts, including loans and credit cards must be current (have no amounts past due) at the time you submit your payment skip request. Certain restrictions may apply.</p>
