Student Loans Designed with Students in Mind

NASA FCU exists for a single purpose—to serve our members. That’s why we’ve partnered with several of the nation’s leading credit unions to form the Student Choice Loan Program. We want to make it easy and more affordable for you or a family member to achieve the dream of a higher education.

NASA FCU Student Choice Loan features:

- Zero origination fees
- Low interest rates
- Flexible repayment options
- An easy, one-time application

Plus, your NASA FCU Student Loan provides these additional benefits:

- Borrow up to \$75,000
- Line of credit convenience makes it easy to withdraw funds as you need them
- Funds dispersed directly to the school, often within 7 business days of loan approval
